

**Join us!**

**Volunteer and Financial memberships**

**Volunteers Members** drive the work of The Bend and we'd love you to join in. Volunteer membership is free, subject to your agreeing to help out every now and then.

Volunteering can take many forms. It can be as simple as:

- Responding to Call Outs that we do ahead of major projects;
- Providing leadership as a 'subject matter expert' in topics you know well; or
- Driving a local project that you are passionate about (with The Bend's support).

If you'd like volunteer membership, please send us a paragraph or two describing your interests and availability.

**Financial members** are generally short on time, but still keen to contribute through a financial contribution. As little as \$25 per year will help us pay for necessary expenses such as public liability and volunteer insurances, website subscriptions and a thousand other expenses needed to keep our work going. If you select Financial membership, we'll send you our bank account details to complete your application.

**Yes! I'd like to apply for **Volunteer / Financial** membership!**

(please delete whichever is not applicable)
